

FERVOUR TECHNOLOGIES PRIVATE LIMITED

# E-Learning Content for Your LMS

**We specialize in Banking**

# The Content and the Container

**The LMS you have already  
invested into, is the container**

What is more important is the content that goes into the LMS. At Fervour Technologies, we create content that truly addresses the training needs. You can directly take this content onto your LMS.

# The Project Team

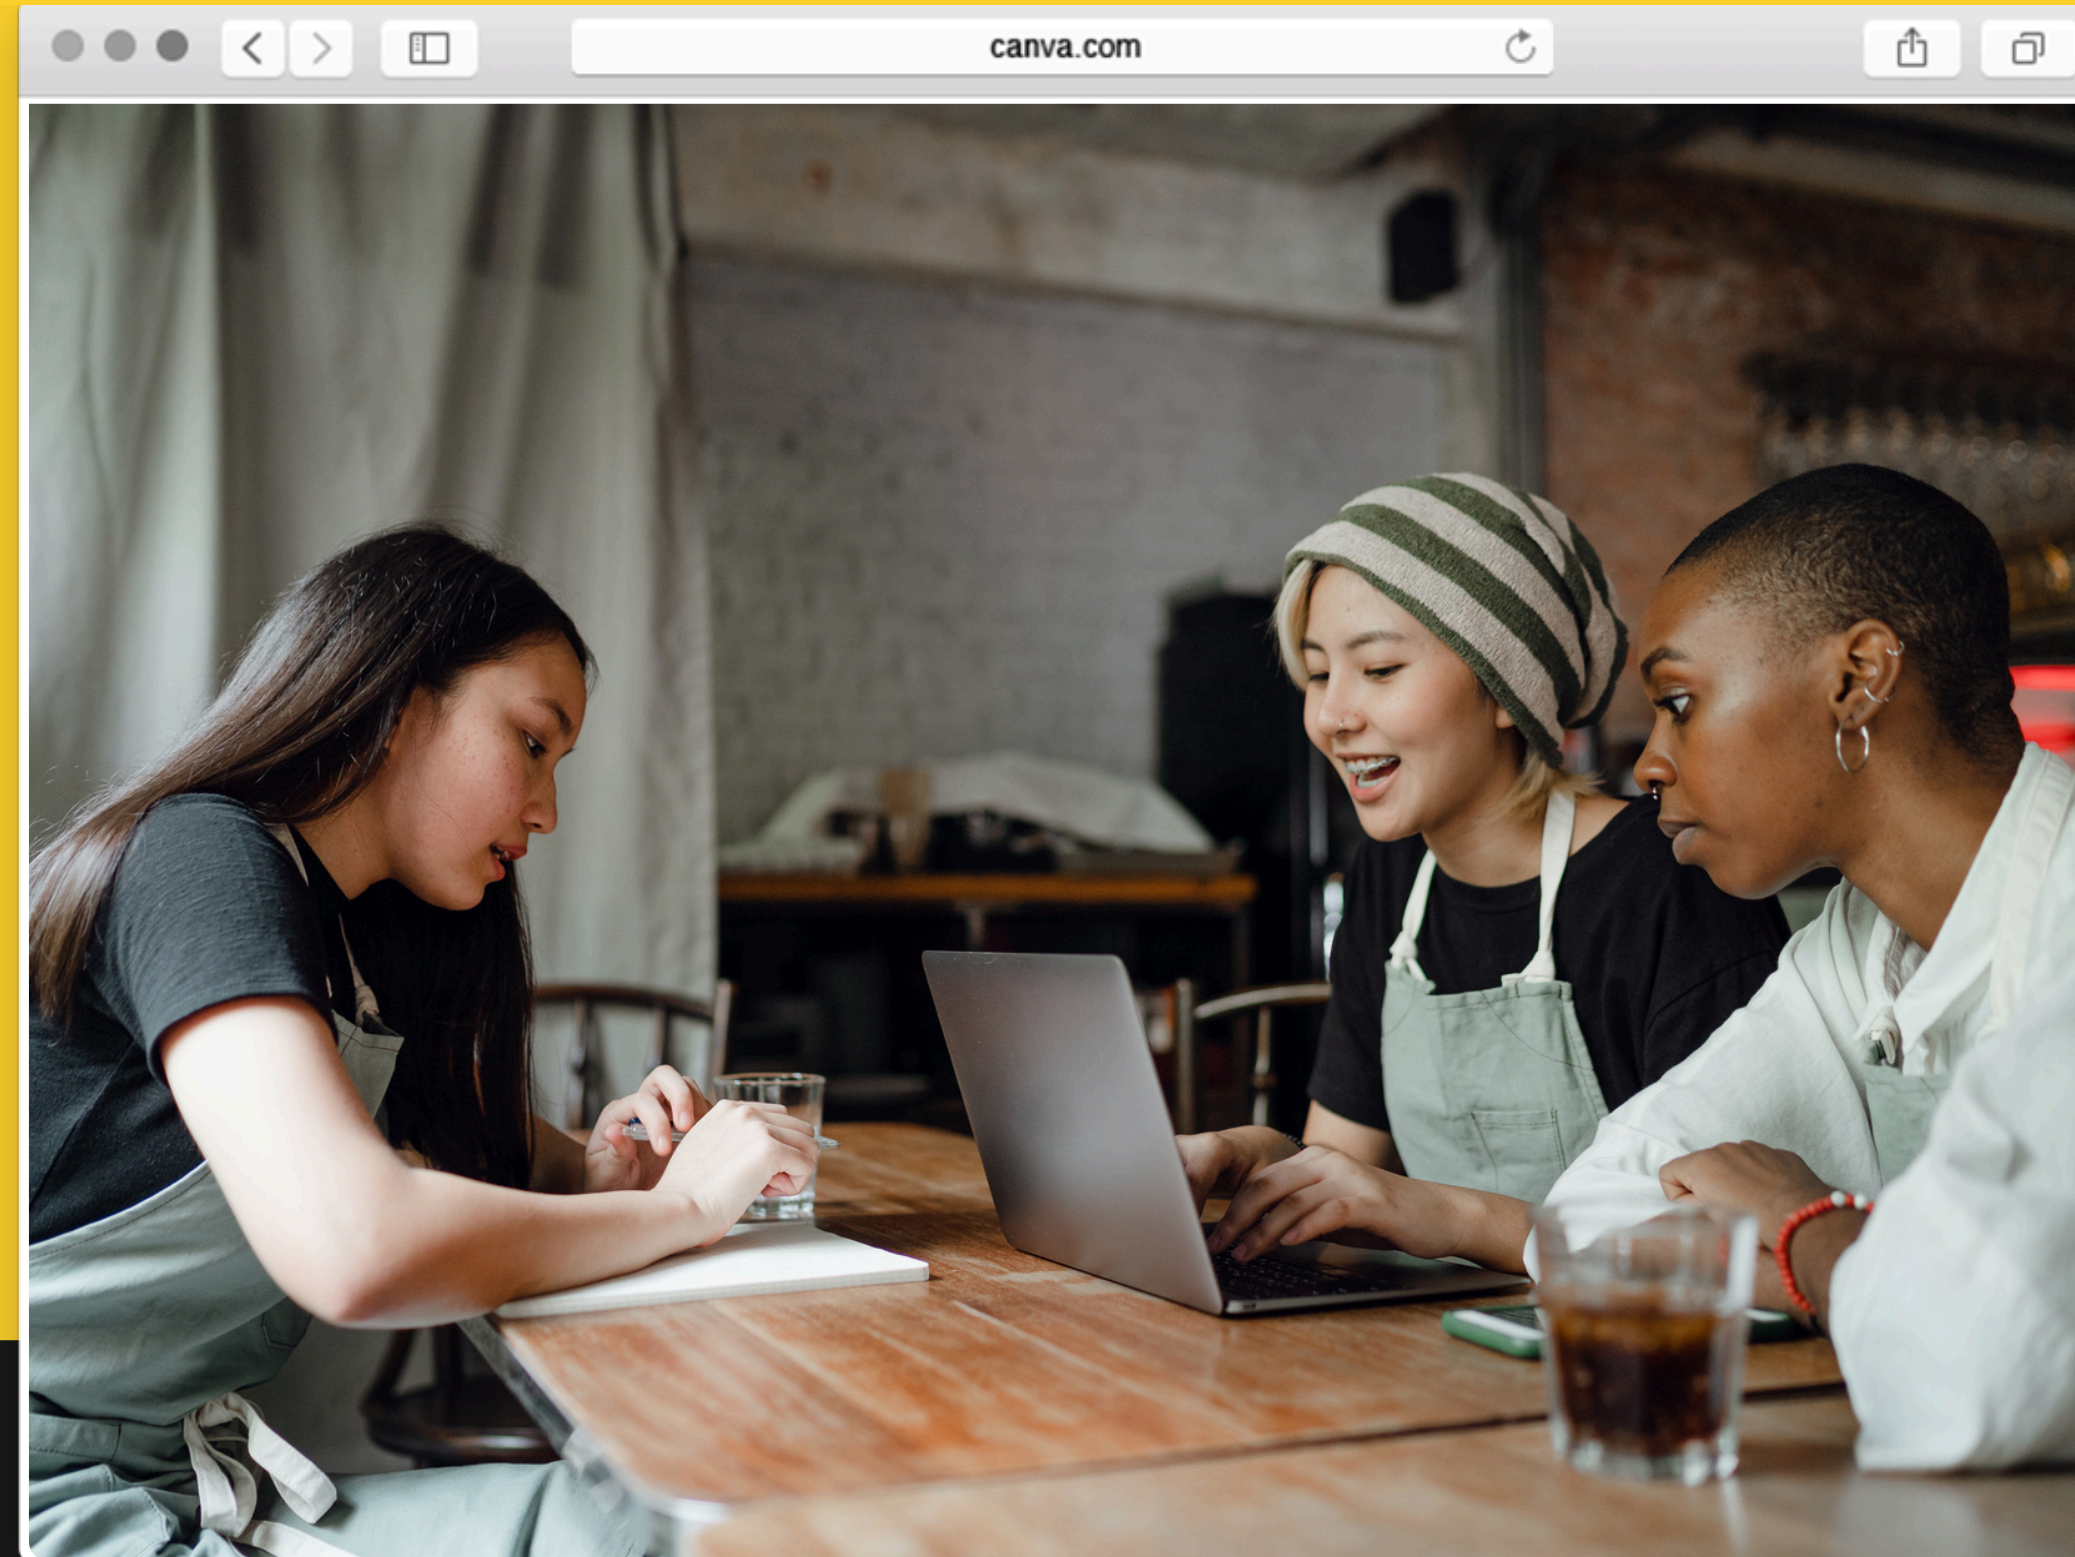

## Our in-house team:

- Subject matter experts (SME)
- Instructional designers
- Graphic designers
- Media team (video & audio)
- Tech team

# Making it meaningful online

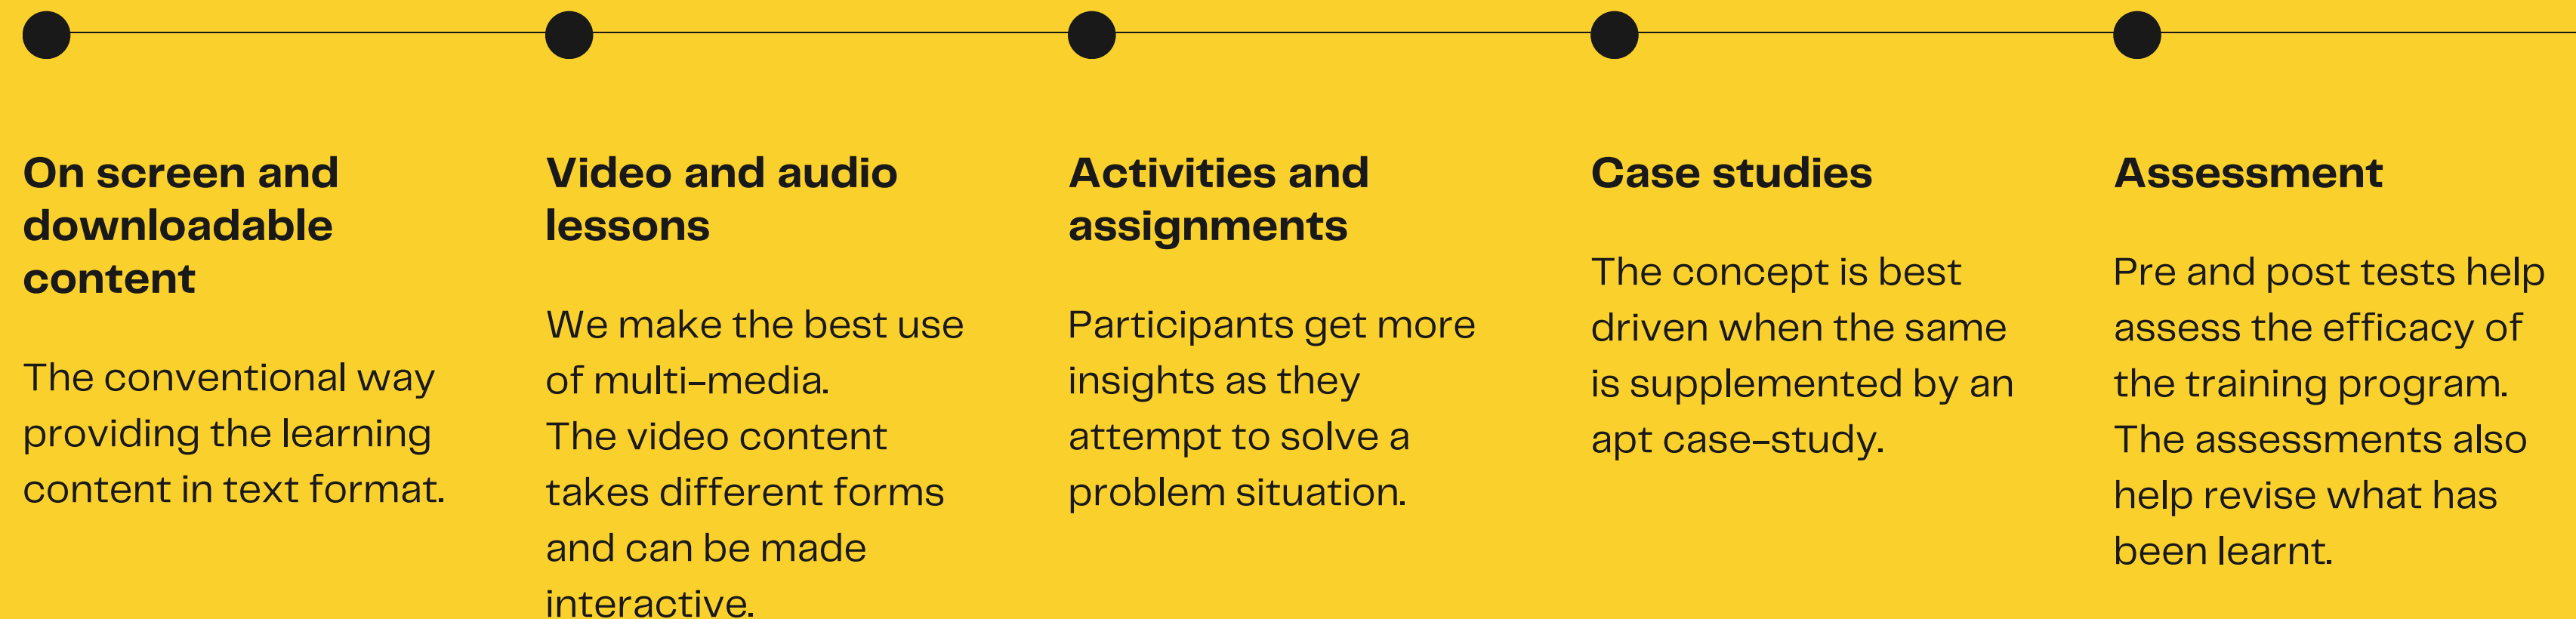

**We Deliver the Content in Forms  
and Formats Most Effective for  
Your Training Needs**

A good training design focusses on delivering the purpose and helps the learner understand the concepts and operational procedures in its contextual entirety.

# Content and formats that we provide

For learner engagement

# Activities that support the learning

**WE'D LOVE TO TALK ABOUT ALL THINGS  
ABOUT OUR SERVICES**
